**Presented by:**

"I will share some of my personal experiences before the Blessed Eucharist and after receiving Holy Communion relating it to my work as a Christian MD and Psychotherapist."

**Dr. Kenneth Fung, M.D., MB., B.Ch., B.A.O., FRCS.(Eng.)**

**A Christian Family Physician integrating the Spirituality of Christian Healing into his clinical medical practice, which includes Counselling and Psychotherapy.**

**His main interest is in the development of a Christian Spiritual Holistic medical model of healthcare that recognises every human person as a spiritual human being and demonstrates the integral role spiritual health plays in the total health and well being of the patient.**

**Dr. Fung is an international conference speaker on the integration of Christian Spiritual healing in medicine. He is a former international president of The Association of Christian Therapists, ACT and regional coordinator of Canada, Region 10.**

**He is the recipient of the Sir William Osler award for excellence in the practice of Christian Family Medicine, and The Healer with the Heart of Jesus award for services to ACT.**
